

M'Coy Named To Vacancy On Town Council; Oyler Is Solicitor; Guise Re-elected

Robert R. McCoy, Fairview Ave., an insurance agent, was appointed a member of the Gettysburg Borough Council Tuesday night to fill the unexpired term of Third Ward Councilman Clyde DeHaas, who died last month.

Selection of McCoy was on motion of Third Ward Councilman John Welshonce, seconded by a Third Ward councilwoman, Mrs. Rebecca Schwenk, following the usual custom of permitting the remaining councilmen from a given ward to make a nomination on filling a vacancy from their ward.

Atty. Donald G. Oyler was elected borough solicitor at a salary of \$1,000 a year. He succeeds Atty. Eugene V. Bullett who retired from the post as of December 31 after serving as borough solicitor for 23 years.

ONE PAY CHANGE

All other officers were filled by re-election: J. Glenn Guise was re-elected as president; Mrs. Anna Dracha, secretary; LeRoy H. Winebrenner, borough engineer, a post he has held since 1925, and all police and borough workmen were re-elected.

All salaries were retained as they were last year with one exception. The salary of the secretary was increased from \$2,600 to \$3,000. The others remain the same: Solicitor, \$1,000; treasurer, \$1,800; borough engineer and police chief, \$4,300; Sgt. Daniel Miller, \$4,000; Officers C. W. Culp, Raymond Menges, Paul B. Shealer, Clarence Cluck and Janitor Donald Jacobs, \$3,600; Officers Ray Breighner and Russell Potter, \$3,400, and Highways Foreman Sloan Hott, \$3,850. The pay for highway employees was retained as \$1.30 per hour for labor, \$1.40 per hour for truck driving, and \$1.50 per hour for operating heavy equipment.

TAKE OATHS OF OFFICE

Council set \$1.40 an hour as the pay for special policemen. Council has been divided for a year or more on whether it is legal to hire special policemen. No comment was made in adopting the rate, but apparently it was set in case it is decided that the town can hire special officers.

A minute of silence in the death of Councilman DeHaas was observed and a resolution was passed expressing council's sorrow at his death.

Mayor William G. Weaver, who had taken his oath of office earlier from Judge W. C. Sheely, swore in the re-elected councilmen: Mahlon P. Hartzell Sr., Philip M. Jones and John Welshonce. Later he administered the oath to Mr. McCoy following his election.

WEAVER IS "BOSS"

Mayor Weaver presided at the opening of the council session for the election of officials. He then made a brief talk to council outlining his plans for the next four years. Noting that he had campaigned "on a platform of administration by cooperation," Weaver said: "Council has adopted many laws over the years and all for good reason and good purposes. I find that people of our town have resented being told what to do without any explanation. I feel that, if the people have explained to them why rules are necessary, they will cooperate fully. I feel too that in administering the laws set down by council."

Rentzel Chairman Of Straban Board

The board of supervisors of Straban Twp. at its annual reorganizational meeting elected Ellis H. Rentzel, R. 4, chairman, and Emory E. Sibert, New Oxford, R. 2, roadmaster. Arian L. Reynolds, New Oxford R. 2, is the third member of the board, succeeding Richard E. Miller, retiring chairman.

The appointments for 1962 were made as follows: Gettysburg National Bank, depository; Attorney Gerald R. Walmer, solicitor; Donald P. Rhodes, tax collector; Arthur Weaver, secretary-treasurer.

A total of 14 miles of road was paved in 1961.

The tax rates for 1962 were set in resolutions calling for six mills on real estate and \$1 per capita. January 15 at 7:30 p.m. was set as the date for the first January meeting. The board regularly meets twice a month.

The board of auditors reorganized without change: John K. Lott, chairman; Walter E. Coshun, R. 5, secretary; and Herbert E. Zepp, member. January 6 at 1 p.m. was set as the time to begin the annual audit work.

Gettysburg College Opens \$800,000 Physical Education Building Thursday Evening

The Bullet cage squads, freshman and varsity, will play the first games on the new floor of the \$800,000 physical education building Thursday night. The Frosh play the Bucknell University Freshmen at 6:45 o'clock and the varsity teams of the same schools will play their game beginning at 8:30 o'clock.

CLASSES FOR ADULTS OPEN AT GHS JAN. 15

The second semester of the Adult Education Evening Courses at Gettysburg High School will begin January 15 and continue for 10 weeks, Director Jack R. Corbin announced today.

An advance registration form appears in The Gettysburg Times today on Page 4.

In addition to most of the courses offered during the first semester in the fall, three new courses have been announced.

They will include a course in drawing to be taught by Miss Sharon Owens of the high school faculty; Adams County History from 1730 to 1865, to be taught by J. M. Sheads of the high school faculty, and a course in drafting to be taught by Ronald B. Hall.

EARLY COUNTY HISTORY

The course in drawing will be offered Monday evenings from 7 to 10 o'clock in Room 222 for a 10-week period. It will cover basic drawing for beginners, employing the use of a variety of media, studies and subjects. The course is intended to be of special value and interest to the painting student who desires to improve his visualization of preliminary layouts.

The county history course will meet Thursday evening from 7 to 10 o'clock in Room 107. It is described as a survey course in local history including early settlers, their contacts with the Indians, land grants, genealogy, formation of 21 townships and the county, the War of 1812, Mexican War and the Civil War, climaxing with a study of the Battle of Gettysburg. The class may attend county historical society or Civil War Round Table meetings.

The drafting course will be given from 7 to 10 p.m. Thursdays.

STOCKS STEADIER

NEW YORK (AP) — The stock market steadied and showed some minor improvement in moderate trading early this afternoon.

The Associated Press average of 60 stocks at noon was up .20 at 261.10 with industrials up .30, rails up .50, and utilities unchanged.

The rise was irregular, with gainers in the fractions-to-a-point range outnumbering losers.

Portugal May Abandon U.N.

LISBON, Portugal (AP) — Premier Antonio de Oliveira Salazar said in a speech prepared for delivery today Portugal "will surely be among the first countries to leave the United Nations."

"Meanwhile we shall refuse them our collaboration in everything that is not in our direct interest," he declared.

Reporting to the National Assembly and to the nation, the 72-year-old dictator criticized the United Nations, the United States and Britain for their failure to come to Portugal's support when India invaded Goa, Damao and Diu last month.

Referring to the U.N. mission of safeguarding peace, Salazar said he believes "we have the right to hear whether our presence and our collaboration are already useless in the United Nations."

"Even if we do not, I do not know yet whether we shall be the first country to abandon the United Nations, but surely we will be among the first."

FORFEIT FINES

Among those recently forfeiting fines in Westminster on motor code violation charges were: Joseph Decosmo, Orttanna, \$11.45, exceeding 50 miles per hour; Rudolph M. Yohn, Littlestown, \$6.45, speed too great; James R. Valentine, Emmitsburg, \$11.45, exceeding 50; Richard E. Bowers, Taneytown, \$6.45 exceeding 30; Joan T. Weaver, Biglerville, \$6.45, failed to obtain Maryland license after 30 days.

DENIES SPEED

Harris said the radar unit used when Mrs. Gideon was stopped on the four-lane highway near York Springs was accurate at 50 miles an hour and three-tenths of a mile "off" at 60 miles an hour. He said the machine, when it picked up a car traveling 60.3 miles per hour, registered 60.

Report Fr. Mowen Satisfactory Today

The condition of the Rev. Fr. J. Harold Mowen, rector of the Prince of Peace Episcopal Church, was described as satisfactory at the Warner Hospital today. He was admitted there Saturday evening after suffering a heart attack.

Roy A. Hammond, Episcopal vestryman, asked The Gettysburg Times to clarify a report published Tuesday that he had made an announcement concerning Fr. Mowen's hospitalization.

The announcement was made to the parishioners at the Sunday service by the lay reader, William Montgomery.

APPEAL TO FAHS

Most councilmen seemed eager that Charles Fahs, whose term on council had ended and who was a former president, would accept the offer of council to be the replacement for Richard Smyers, who resigned as a councilman and accept the presidency as well.

Fahs demurred at Tuesday night's meeting, finally was prevailed upon to "think it over for the next 30 days and talk to your wife about it."

3 SWORN IN

Three new members of council, Robert Lau, Lloyd Chronister and Horace Baker, were given the oath of office by Mayor Phillips.

Curt Eisenhart was renamed secretary; C. D. Krout, treasurer; Atty. Charles Wolf, solicitor; John Saylor, of the firm of Buchart, Horn, Inc., York, engineer; John Bechtel, police officer.

Much discussion was held on the expansion and improvement of the town's water system and the new rates for water. Council learned that work on an elevated tower reservoir had been halted by failure of some parts to arrive, but that the work is scheduled to resume, probably today.

Plans were discussed for establishing the width of Harrisburg and Abbotstown Sts., which are to be repaved by the state.

HELD AS DISORDERLY

Robert Anderson, Phoenix, Ariz., was arrested and placed in the county jail on a drunk and disorderly charge filed by borough police. The information was laid before Justice of the Peace Anna E. Thompson who said a hearing will be held later today.

STRUCK BY ICE

Nancy Lee Carey, 5, daughter of Mr. and Mrs. Dean Carey, Seven Stars, was treated Tuesday at the Warner Hospital for two lacerations of the scalp suffered when she was struck by falling ice from a garage roof.

SEEK LICENSE HERE

John E. Siagle, son of Mr. and Mrs. James R. Siagle, McSherrytown, and Miss Rosa L. Payne, McSherrytown, daughter of James Payne, Orlando, Fla., and Verna Payne, Hanover, have applied to the clerk of the courts for a marriage license.

6 TURN DOWN EAST BERLIN'S PRESIDENCY

East Berlin Borough Council failed to reorganize Tuesday night, when six councilmen present refused to accept the presidency.

As a result the new mayor, John Phillips, presided throughout the meeting and will preside at the opening of the February meeting of council by which time it is hoped a new president can be secured.

A bit amused by their failure to secure a president, the councilmen suggested that if a new president cannot be found until February, the council draw straws and thus select a president.

Harrisburg Man Killed In Crash South Of Cross Keys Today; Hour To Free Body

A 29-year-old Harrisburg resident was killed instantly when his car left the Hanover-Carlisle highway on Rt. 94 one mile south of Cross Keys at 8:15 o'clock this morning, crossed to the left side of the road and slammed into a utility pole, snapping it in half and demolishing the vehicle.

Adams County Coroner C. G. Crist, who was called to the scene at 8:45 o'clock along with state police, said that Bennett Donald Magida, 4103 Green Court, Harrisburg, died instantly from a crushed chest, dislocation of the right arm, fracture of the right upper leg; fractures of several bones in the lower leg and compound fractures of the right ankle.

BODY TRAPPED IN CAR

State Trooper Ronald L. Prough said that Bennett was traveling south on the Hanover-Cross Keys Rd. and, as he came over the crest of Red Top Hill, the car apparently slid on ice and traveled some 300 feet before coming to a halt against a telephone pole on the east side of the highway. The right front door of the four-door 1961 Dodge sedan was wrapped around the pole and it took rescuers about an hour and 15 minutes before the body could be extracted.

Magida, who was alone in the car, had been thrown from behind the steering wheel over to the right side of the front seat, exactly at the point where the car struck the pole. The roof of the car was smashed against Magida's body.

SHOE FIRM EXECUTIVE

A motorist who arrived on the scene said that Magida had passed him just south of Dillsburg at a great rate of speed and "had his headlights on." It was believed that he was on his way to work at the Sylvania Shoe Manufacturing Corp., South St., McSherrytown, where he was a junior executive. Magida's father is the owner of

TELLS OF SILK WORM FANTASY HERE IN 1830'S

The Adams County Historical Society at its January meeting Tuesday evening in the Old Dorm on Seminary campus heard about the days, more than 125 years ago, when college professors, town ministers and leading businessmen were urging Adams Countians to go into the silk worm business.

Prof. William C. Darrah, program chairman, who was the speaker, told of the formation of the Adams County Silk Society in Gettysburg in November, 1839, when the town's leading citizens listed a dozen reasons why folk here should engage in the propagation of silk worms and production of raw silk.

They said a pound of silk was worth a barrel of flour and was "much easier to produce and market." The silk society members noted there were hundreds of factories in the young nation begging for native silk.

Prof. Darrah, who is a member of the Gettysburg College faculty, said the price of raw silk in the 1830's was \$5 to \$6 a pound and backers of the new industry claimed the possibility of a return of \$500 per acre. A Baltimore lawyer was quoted in 1838 as saying "everybody in Adams County is going to get rich on the silk worm." So far as Prof. Darrah has been able to learn, the industry reached its peak in this county in 1844 when 40 pounds of raw silk were produced.

He told how the dreams of riches from the silk industry faded here as the price of mulberry trees rocketed and then the worms and the trees became diseased while the new Yankee clipper ships brought in China silk that was produced more cheaply than the native product.

"There are still a few remnants of the silk spurge here," Prof. Darrah said. He noted a large mulberry tree on the college campus planted more than a century ago by faculty members in a

BONNEAUVILLE BEGINS LIFE AS 12TH BOROUGH

Adams County's 12th and newest borough got underway Tuesday night with the help and good wishes of Judge W. C. Sheely and the county commissioners.

Judge Sheely administered the oath of office to the new officials of Bonneauville as they held their first official meeting in the Bonneauville engine house and the commissioners were on hand to wish the officers well as they started deliberations for the first borough to be established in the county since Biglerville became a municipality on its own about 1903.

Mayor Joseph Clabaugh presided at the session until F. Vincent Staub was elected president of the council, and then turned the meeting over to him.

NEED BUDGET, TAXES

By general agreement, the biggest immediate job went to the finance committee, which includes Francis Clabaugh as chairman, Jean Miller and Paul Walter. The committee will have to come up with a budget and a tax rate for the new borough.

Mayor Clabaugh, noting that the town starts, as do all boroughs, without any funds, and won't receive any income until taxes start to be received next summer, commented: "I hope our financial position is never worse than it is right now."

The council set the fourth Tuesday of each month at 8 p.m. in the engine house as the time and place for regular meetings. It will have two meetings this month, the council deciding to start the new schedule immediately.

Representatives of the Metro-Electric Cooperative, which provide the power for the street lights in Bonneauville, were

MAIL FORMS FOR FILING TAX RETURNS

The Adams County Commissioners this week began mailing several thousand forms to Adams County residents who will soon be preparing their personal property tax returns on more than \$13,000,000 worth of stocks, bonds, mutual funds, judgments, notes and mortgages. The deadline for filing the returns is February 15.

Failure to file a return or the making of a false, incomplete or incorrect return will result in a 12 per cent penalty the commissioners said. The penalty for failure to comply with the act is a misdemeanor and, upon conviction, a person is liable to a fine of not more than \$500, or six months in jail, or both.

The commissioners issued the following statement:

FOUR-MILL TAX

"Personal property tax is a four-mill tax on all notes, mortgages, judgments, certain stocks and bonds, articles of agreement for sale of land or real estate, secured transactions, owned by Adams County residents. Securities of Pennsylvania corporations are tax exempt, while securities of corporations located in Pennsylvania and incorporated in another state are taxable. United Utilities, for example, a widely known corporation, comes under this category and is subject to the tax. Shares in many mutual funds and investment trusts are also subject to the tax.

"In filing returns, it is advisable to list all securities owned, whether considered taxable or not. The commissioners will assess only those securities made taxable under the law. If in doubt as to whether certain stocks and bonds are taxable, inquire at the commissioners' office in the courthouse."

UNCOVER TAXES

It was said that audits and investigations every year uncover several thousand dollars worth of personal property taxes due to errors and failure to file returns, which is assessed and collected by the commissioners' office.

Taxpayers who do not receive forms by mail may obtain them at the commissioners' office or any Adams County bank. If assistance or additional information is needed, persons may inquire at the courthouse.

JOHN MCLOY VISITS BERLIN

BERLIN (AP) — John J. Mc-Cloy, former U.S. higher commissioner in Germany, arrived unheralded for a one-day visit to Berlin today at a time of deadlock between Soviet and American commandants in this divided city.

East German Communists are still insisting that U.S. civilian officials entering East Berlin identify themselves to East German police. Because of the insistence, Maj. Gen. Albert Watson II, the U.S. commandant, canceled a meeting last month with Col. Andrei I. Solovoyev, the Soviet commandant.

Later, the United States barred Solovoyev and his chief aide from the American sector. The British and French commandants have not followed the U.S. lead.

Shortly after Mc-Cloy's arrival, a U.S. mission spokesman said: "We do not intend to permit our rights to be interfered with, nor will we allow improper treatment of our representatives."

He said Soviet replies to American protests were wholly unsatisfactory.

Cut Damages Of Hanover Company

PHILADELPHIA (AP) — The United States Circuit Court of Appeals has upheld a District Court ruling that a shoe company violated a collective bargaining agreement by moving its plant to Hanover to avoid hiring union workers.

But the appellate court, in its action Tuesday, reversed the lower court's assessment against the company for \$50,000 punitive damages. It split 4-4 in affirming a compensatory damage award of \$28,011.

The total assessment of \$78,011 was made against the Brooks Shoe and Brooks Shoe Manufacturing companies by District Judge Harold K. Wood Sept. 22, 1960.

The Brooks organization moved from Philadelphia to Hanover in 1957. The United Shoe Workers Union, which brought suit under a labor-management relations act, said the move enabled the company to pay nonunion employees 15 to 20 per cent less than union scale.

COLLEGEVILLE, Pa. (AP) — An automobile skidded on an icy patch and hurtled into a roadside ditch today, killing Donald Hines, 17, of Spring City, and injuring two other persons.

The names of the injured were not immediately available. State police said they were not seriously hurt.

The accident occurred on Township Line road at Mill Road about three or four miles from here.

TOWN ENDS

(Continued From Page 1)

closed all winter."

The discussion indicated that councilmen believe the general public is "about 60 per cent in favor of sledding and 40 per cent loudly against it."

SET UP SCHEDULE

Borough Engineer LeRoy Winebrenner said the task of placing and removing the barricades for sledding on Springs Ave. and Queen St. had been given the Highway Department and if council wanted barricades removed at night it would entail the additional cost of one of the men removing them at night. At present they are moved during the daylight hours when the borough workmen are engaged in regular duties.

Council decided that the police could move the barricades and directed Mayor William G. Weaver to work out a schedule. This morning Weaver said the barricades on Springs Ave. and Queen St. will be placed at 3:30 o'clock each afternoon and removed each night at 10 o'clock Monday through Fridays. On Saturdays the barricades will be up from 10 a.m. to 10 p.m. Residents of the area may use the barricaded streets during the hours they are closed, but are asked to use extreme caution while sledders are present.

Winebrenner reported the schedule of snow removal from the streets as set up some time ago by council and the highways committee. Washington St. and the hospital area are cleaned first, he said, because of the need for emergency use.

He reported that cinders and crushed stone used on the streets are mixed with salt. He said the town will have to secure a heavier grader to remove ice under circumstances such as those which occurred during the present snow. He noted that the town was able to remove the original snow which fell and the snow which fell on top of the freezing rain which turned to ice, but was unable to move the ice. On main streets where a heavy state highway grader could be borrowed for use, the ice was gotten off, but thorough equipment would not move the ice on the side streets, he said.

The highway committee was asked to go over the order in which the streets are cleaned and make such changes as it sees fit. Need to replace the chain on the present 15-year-old snow loader was reported. The property committee was authorized to pay up to \$1,000 for the Hanover snow loader, or, if it is unavailable, have the present Gettysburg loader repaired. The committee was asked to act today on the matter.

It was noted that Mayor Plank had served as the town's building inspector. Council was asked to name a new building inspector. The safety committee was then asked to make recommendation of an inspector at the February meeting.

The report of the sewer committee showed 11,000 feet of the Tiber floor covered with concrete so far or about 20 per cent of its length. Following Chairman Richard Smith's report, the other councilmen congratulated him on the work and expressed the hope that funds will be available to complete the length of the Tiber over the next four or five years.

Finance Chairman John Welshonce asked the committee chairmen to submit their budgets to him by mid-January so his committee may prepare the town's budget for submission at the February meeting. Among funds to be allocated in the budget will be an amount for further concreting of the Tiber, he said.

He also reported that the Eichelberger-Staley fund provided \$297.63 in interest this year, of which \$281.78 was expended by Welshonce and Councilman Mahlon P. Hartzell, as the designated councilmen, to aid the needy in the community at Christmas time.

Mrs. Rebecca Schwenk, chairman of the health committee, reported that her committee has met with the county commissioners on a proposal to establish a public toilet here with the county paying the cost of installation of the toilets in the courthouse basement and the borough paying certain costs of maintenance. She said no final agreements have been reached and a full report on the status of the plan will be made at the February meeting of council.

DEATHS

OPEN PRAYER WEEK SERIES AT FAIRFIELD

The Rev. Dr. Harry A. Price, director of clergy services at Johns Hopkins Hospital, Baltimore, spoke Tuesday evening at the first of the week-long Fairfield Community Week of Prayer services on "Christ, the Timeless." The speaker, an ordained Methodist clergyman and native Pennsylvanian, pointed out that soon "we will be moving again to Daylight Saving Time and many people will be disturbed because they feel such a move is tampering with God's time. But," said Dr. Price, "such concern over time is foolishness because God does not concern himself with time. Time is of man and God is timeless." The speaker said time is really only an expedient tool for measuring the revolutions of the earth upon its axis.

On the other hand, Rev. Price said, "Timelessness is of God. The Bible over and over again points up God's eternity." With a text based on portions of the Gospel of John, Dr. Price said that John's Gospel does not include a birth story such as Luke and Matthew because, for John, Christ was not born but always existed. "Bethlehem meant that the eternal life came in the flesh but Christ always existed because Christ is timeless. Hence," said Dr. Price, "Christ alone can be timeless and timeless. It is his timeless nature that makes him relevant and the many adjustments of life and the complex problems that our changing world thrust upon us can only be answered by a God who is timeless and such a God is ours in Jesus Christ."

A group of singers from the Youth Choir of Zion Church, under the direction of Mrs. Otto Kroeger and accompanied by Miss Helen McClellan at the organ, sang the anthem "Mary's Lullaby." The Rev. Otto Kroeger, pastor of Zion Church, led the worship service.

The Fairfield Lions Club attended this special service as a

Mr. and Mrs. Chester B. Worley, York Springs R. 1, celebrated their 50th wedding anniversary Sunday at an open house at their home given by their son, Melvin Worley, and daughter, Mrs. Mary Worley Wolfe.

Approximately 125 persons attended and the celebrants were presented with numerous gifts. The couple was married in Harrisburg December 28, 1911, at the Presbyterian manse by the Rev. Richie Smith. Mrs. Worley is the daughter of the late Samuel

group. The Lions had met for supper in the Lutheran Parish hall with 34 members and Dr. Price attending. The regular business was dispensed with so that the club could attend the church service.

The Week of Prayer services continue this evening in Zion Lutheran Church at 7:30 o'clock with Dr. Price speaking on "Christ, the Truth." The Rev. Merrel D. Long, Methodist pastor of the Bendersville Charge, will lead the worship and special music will be provided by the Ortranna Methodist Church. Everyone is welcome at these services.

Weddings

Straley—Storm

Miss Patricia Ann Storm, daughter of Mr. and Mrs. Francis B. Storm, R. 5, became the bride of MM3 Fred Allen Straley, USN, son of Mrs. Kathryn J. Straley and the late Vernon J. Straley, Littlestown R. 2, in St. Joseph's Catholic Church, Bonneauville, Saturday afternoon at 2 o'clock. The Rev. Fr. Louis W. Forger, pastor of the church, officiated at the double-ring ceremony.

The altar was decorated with red poinsettias and the music was played by the church organist, Mrs. Bernard Walters.

The bride, given in marriage by her father, was attired in a waltz-length gown of Chantilly lace and tulle, featuring a scalloped neckline, accented with sequins and pearls. The sleeves tapered to points over the hands, and four tiers of ruffles and lace accented the skirt. She carried a bouquet of white carnations and pompons.

Miss Dorothy Storm, R. 5, sister of the bride, was maid of honor. She wore a light blue nylon dress accented with a satin cummerbund and royal blue accessories. She carried a bouquet of pink carnations and white pompons with pink streamers.

The couple have lived their entire married life at York Springs R. 1, where Mr. Worley has been engaged in the nursery business for 49 years.

The Worleys are the parents of three children, Francis Worley and Melvin Worley, of York Springs R. 1, and Mrs. Arthur Wolfe, of Richland, Pa. They have four grandchildren.

The best man was Fred Keller, R. 5. Ushers were Fred Allen Hahn, Littlestown, and Henry Reese Jr., McSherrystown. The bride's mother wore a blue lace dress with blue accessories and a white carnation corsage. The groom's mother was attired in a steel blue lace dress with matching accessories and a white carnation corsage.

A reception was held at the Bonneauville fire hall for approximately 300 guests. For their wedding trip of unannounced destination, the bride chose a beige sheath dress with matching accessories. Upon return, the bride will reside at the home of her parents.

The bride is a 1960 graduate of Delone Catholic High School and is employed at the Littlestown Manufacturing Co. The groom is a 1959 graduate of Littlestown High School and is at present serving a four-year term in the U.S. Navy aboard the USS Noa, Mayport, Fla.

Out-of-town guests were from Illinois, Baltimore and Hanover.

Hannel—Weitcomb

The wedding of Miss Janet L. Weitcomb, daughter of Mr. and Mrs. Russell J. Weitcomb, York R. 1, and Lt. Arthur G. Hannel, Camp Lejeune, N. C., son of Arthur Hannel and Mrs. Eileen H. Hannel, Buffalo, N. Y., was sol-

TWENTY-FIVE YEARS AGO

William Woodward, 18, Falls On Gun, Wounds Self Critically While Checking Traps Today: William Woodward, 18, West Confederate avenue, is in the Annie M. Warner hospital with a gunshot wound in the right shoulder as the result of an accident while checking his trap lines this morning near his home. His condition is described as critical.

Woodward told members of his family who were summoned to his assistance by his shouts, that he had been returning to the house when about 9:30 o'clock this morning when the accident occurred.

Bakery And Oil Trucks Collide; Two Riders Hurt: Two local residents were injured but not seriously, and two trucks were damaged in a collision Saturday afternoon about 3:15 o'clock on the sharp curve at the west edge of Bonneauville and the Gettysburg-Hanover road. One of the vehicles, the delivery truck for Reuning's bakery, was badly damaged and its cargo of bread, rolls and pastries crushed.

J. A. Myrick, 72, For 21 Years A Guide, Expires: Joseph Albert (Bert) Myrick, 72, for 21 years a battlefield guide, died this morning at 8:30 o'clock at his home, 43 Breckenridge street, following a long illness.

Several years ago Mr. Myrick was stricken with Huntington's chorea, a disease that left him in a nervous condition. For the last several years he had been confined to his home and on Christmas day his condition became serious. He had been confined to bed since that time.

Attempt Made To Burn Auto: A 1932 model blue Plymouth sedan was abandoned late Tuesday night or early this morning in an alley at the rear of the William Wavell property, Steinwehr avenue, and an attempt made to destroy the machine by fire after license plates had been removed from the machine.

Borough Officer D. J. Wolff was notified about 10 o'clock this morning and began an investigation in an attempt to learn the name of the owner of the car, which he believes is a stolen machine.

Fire Loss In Borough Only \$699 In 1936: Fire losses in the borough of Gettysburg reached the lowest point in years in 1936, records of Fire Chief James A. Aumen show. Blazes in the borough caused damage estimated by the fire chief at \$699, or a little more than \$50 per month. There were no major conflagrations within the town's limits. The borough itself was the heaviest loser in a single blaze. The fire at the borough garage and storage house, Race Horse Alley, July 23, caused damage estimated at about \$600.

27 Complete R. C. Course: Twenty-seven members of the first aid instruction class that has been meeting in the Gettysburg fire engine house since November 11 will receive the American National Red Cross certificate for completing the course. They were instructed by C. L. Fair and Frederick Messinger. The course ended Wednesday evening.

L. E. Hershey, Lincoln Way West, left at noon today for Miami, Florida and Cuba, where he will spend some time with friends.

Today's Talk

RARE PEOPLE
Every once in a while — often only after 10 or 20 years — you run across somebody whom you can't explain, somebody whom you just like and know you like, but don't know why.

Rare — very. But what an event!
I have never liked explaining people I always feel that they are apt to forget to explain some things that later I might discover to their disadvantage, and then I would be disappointed. And I don't like to be disappointed in people.

But if they are of this rare type, I can forgive much — because they never ask me to forgive anything!

When you read the lives and works of such people as Poe, Hudson, Shelley, Byron, and many others who died bathed in their own tears of disappointment, you feel a kind of warm glow in your heart. You feel that you are associating with those who loathed pity, but who craved understanding and sympathy and appreciation. Rare people!

We need the press and warmth of hands in this world. Just hand-clasps — without words. There are enough hands, God knows, without the clasp.

You can walk a long way, and be a long time with a rare person and feel that time has been a record in speed — though hours and hours have elapsed.

Mothers are rare people. Often a mere boy or girl is. Often a rough, unlettered man.

Rare people are well worth hunting for and trying to be attracted to a rare person, in the first place, is a compliment to your worth and ability. In fact, it takes a rare person to be attracted to a rare person.

So, be rare — if you know how

Just Folks

SLEIGH BELLS
In forty years we've changed the world and traded many things. We've banished glowing stoves to gain the warmth a furnace brings.

We've polished off discomforts with invention's magic art; We've built the "press the button age" when countless motors start.

But thinking of my boyhood days, we lost a joy, I'll say, When faithful horse and cutter were forever put away.

For never comes a fall of snow but what for them I mourn, And that strap of tinkling sleigh bells we supplanted with a horn!

I would not now go back to live as once we lived of old; I'm much too fond of comfort to undress in bedrooms cold. On winter nights I would not care to journey to the shed And carry coal to feed the stove before I go to bed.

I'm glad such chores exist no more; and I am grateful, too, That wheeling out the ashes is a task with which I'm through. I'm not the kind that loves the past and all that's modern scores, I merely say that sleigh bells were more musical than horns.

We give up youth for mellow age; each forward step we take To reach a joy which lies ahead an old charm we forsake.

We deal and barter through the years old customs for the new; Find easier ways to do the tasks once difficult to do;

But sometimes as we move along to build the better day, We learn we've been compelled to throw a lovely thing away.

And thinking of my boyhood days, to this I will be sworn: Those sleigh bells sang a prettier song than any motor horn.

KENNEDY'S 62 PROGRAM WILL BE ABOUT THE SAME AS 1961

Associated Press News Analyst
WASHINGTON (AP) — President Kennedy's plans for 1962 — as outlined to newsmen over the weekend at Palm Beach — call for no surprises and little heat.

His views are authoritatively based on discussions he has had with men close to him.

What he is reported to have said adds up to leadership but of a kind neither sensational nor original. It was that way in 1961. He apparently wants it that way.

In foreign affairs he plans a steady plugging away at policies already established and, on domestic problems, a mild and cautious attitude which some may think too mild and overly cautious.

OVERALL VALUE

Secretary of State Dean Rusk once remarked to people around him that he does not want to be judged on the merit of some particular action but, when he is through, on the overall value of events, past and ahead, seems to have pretty much the same view.

While Premier Khrushchev at 67 is 23 years Kennedy's senior, it is the older man who sounds like a romantic, the younger, the one without illusions.

While Khrushchev has predicted the triumph of communism like a man taking pep pills, Kennedy has repeatedly regarded the East-West struggle as long, bleak and rugged.

This showed up again in the Palm Beach reports which said he thinks the balance of power is on the side of the West—but perhaps only marginally.

Over the long run, he thinks the West can keep the margin but not so much as to have full freedom of action.

Otherwise, what came out of Palm Beach on his thinking about foreign affairs can be boiled down to this: That this country will follow the Truman-Eisenhower policy of aiding newly emerged nations, neutrals included, to help them stay free of Moscow. It will keep strong militarily and stand with its allies.

In other words: he'll keep on doing in 1962 what he did in 1961. At home this year, as last, he has to deal with a Congress where, in a majority, the prevailing mood is and has been conservative.

His own performance last year, in dealing with Congress, was pretty conservative, too. He did not fight hard enough for his programs to make anyone very mad at home.

TEMPERED BY REALITY
His own explanation for this may have been revealed at Palm Beach: that while he considers his administration progressive, his progressive aims are tempered by reality.

This could mean he did not spend time fighting Congress for something he didn't think would be approved or that he did not want to make so many people mad at him on one issue that they would gang up to block him on something else.

This, the Palm Beach stories indicate, will be his policy also.

KINDERGARTEN REOPENS
Prayer meeting will be held in Bethel Assembly of God Church, along the Littlestown Fish and Game Rd. at 7:45 p.m. tonight.

The Christ Ambassadors Youth Service will meet on Friday at 7:30 p.m.

The second semester of Christian kindergarten at St. Paul's Lutheran Church has begun. The kindergarten is conducted each weekday morning from 9 to 11:30 o'clock. Children from age four years are invited to join the group. Mrs. Lawrence H. Roller and Mrs. John Kump are the teachers. The monthly session of the council of St. Paul's Church will be held at 7:30 o'clock tonight at the church.

Girl Scout Troop 777 met on Tuesday after school in the engine house. Linda Bittle and Sandy Study were flag bearers and Gaynelle Ritter and Mary Lou Miller composed the color guard. Jean Yealy was the announcer. Members were requested to hand in their personal health scrapbooks by the end of the week to one of the leaders, Mrs. Clarence J. Krichen Jr., Mrs. Chester S. Byers or Mrs. L. Robert Snyder. It was decided to work on the home nursing badge next. The girls were assigned to work for the badge in the following pairs: Karen Krichen and Sally Mehring; Linda Bittle and Linda Smith; Peggy Bair, Jean Yealy; Dianne Byers, Thair

RESCUE PILOT FROM TREE IN SNAKE SWAMP

PICAYUNE, Miss. (AP) — An Air Force rescue team plucked U2 pilot Charles Stratton from a cypress tree in snake-infested swamplands near Picayune today.

Stratton, 32, an Air Force captain, was taken by ambulance to Keesler Air Force Base at Biloxi, Miss., 60 miles east of Picayune.

The Air Force clamped a tight secrecy lid over his removal from the swamp. His condition was not immediately determined.

Stratton's home is Detroit, but he lives at Del Rio, Tex., with his wife and two children.

Search teams continued to hunt through the swampy area west of Picayune on the Louisiana-Mississippi border for the wreckage of the single-seater U2, similar to the plane which was downed over the Soviet Union in 1960 and created an international incident.

FIERY CRASH

Capt. William N. Orr, deputy public information officer at Keesler, said the U2 was attached to the 4080th Strategic Wing at Laughlin AFB. It was on a flight from Del Rio to Birmingham, Ala., and return.

The plane, in flames, crashed about 9:30 p.m. Witnesses reported seeing the fiery crash from as far away as New Orleans — 75 miles south-southwest of Picayune.

The U2, a high-altitude plane, became involved in a dispute between the United States and Soviet Union in May 1960, after Francis Gary Powers was downed over the Soviet Union. He was tried for espionage and is imprisoned in the U.S.S.R.

Stratton and Powers, a former Air Force officer, are friends.

FARMINGTON, Conn. (AP) — Sir William Lawrie Welsh, 70, a retired British air marshal, died Tuesday. Bullets Play First Game On New Floor Thursday Against Bucknell Cagers

A record local basketball crowd seems likely when the Gettysburg College basketball teams tangle with Bucknell University Thursday evening in the first double-header ever to be played on the floor of the new physical education building on W. Lincoln Ave.

The specious gym seats 3,000 fans and a near-capacity crowd is expected to be on hand.

The Freshman teams will meet in the preliminary at 6:45.

Bob Hulton's Bullet varsity is down in a 3-3 record after having lost its last three straight. Bucknell handed the Bullets a 74-50 lacing on December 16 at Lewisburg for the locals' last setback.

BURNETT QUILTS SQUAD

It was announced today that George "Rocky" Burnett, 6-3 Senior and a varsity squad member for three seasons, has decided to give up basketball in order to devote more time to studies and other school activities. In 56 games Burnett scored 362 points and was credited with 271 rebounds.

Hulton will start his ace backcourt combination of Ron Warner, York, and Bob Parker, Yeaton, Roger Gaekler, Glen Rock, will receive the nod at center with Bruce Simpson, Sunbury, and Ted Koerner, Cheltenham, starting at the forward slots.

Sophomores Bill Storch, Tamaqua, and Bill Fry, York, are expected to be in the starting lineup for the Bisons with veteran Joe Steiner, Punxsutawney. Storch tallied 22 counters against the Bullets in the first meeting while Steiner netted 20. Steiner was also the game's top rebounder with 16.

Following the Bison game, the Bullets will tangle with Lehigh University Saturday night on the Gettysburg floor. Saturday's clash will mark the first of two meetings between the two schools this season.

John Carpenter's Gettysburg Freshman team, also 3-3 on the season, will meet the Little Bisons on Thursday and the Lehigh yearlings, Saturday. The Little Bulldogs defeated the Bison Frosh 61-54 in the last outing before the vacation break.

CARLISLE IS EASY VICTOR OVER BIGLER

Biglerville was not match for the undefeated Carlisle High School dribblers Tuesday evening as the Thundering Herd breezed to a 73-30 decision at Carlisle in the opening South Penn League game for both schools.

The victory was the ninth straight for Carlisle, favorite to take the 1962 league title. Biglerville is now 3-4 overall.

Carlisle got off to a 14-9 lead in the first quarter and then iced the game by piling up a 37-16 advantage at half time.

Bill Sanni was the lone Canner to score in double figures with 12 points. Carlisle was led by Dick Hodges and Bill Owens with 16 and 12.

The Canner reserves pulled a mild surprise by winning the preliminary 34-20.

Biglerville hosts Waynesboro, victor of Chambersburg Tuesday, in a nonleague game Friday evening.

Ask Senate Okay On New Secretary

HARRISBURG (AP)—The naming of Thomas J. Monaghan as Pennsylvania's new secretary of Commerce was one of 83 appointments by Gov. Lawrence under consideration today by the State Senate.

Lawrence asked the Senate on Tuesday to confirm the appointments. Monaghan, outgoing Democratic mayor of Lancaster, was named to the commerce post last Nov. 29 to replace the late William R. Davlin who died of cancer.

Also under study is the appointment of John F. Dent of Jeanette, son of congressman John H. Dent, to the State Board for the Examination of Public Accountants.

FEMALE TRACK STAR IS GIVEN THE SULLIVAN AWARD BY AAU

NASHVILLE, Tenn. (AP)—Wilma Rudolph Ward, winner of three Olympic gold medals and Associated Press woman athlete of the year for 1960 and 1961, has won the James E. Sullivan award for 1961.

"This is the greatest honor in the world for her," said Ed Temple, her coach at Tennessee State. "This is the top—the one I've been waiting to hear about for a long time."

Mrs. Ward herself was enroute home from Linden, N.J., where she and her husband, classmate and track team member William Ward, spent the holidays with their parents. The newlyweds hope to compete together in track events.

THIRD WOMAN

Mrs. Ward, 23, is the third woman to receive the Sullivan Award in the 32-year history of the recognition by the Amateur Athletic Union. The Tennessee State senior collected 1,627 points, the fourth highest total ever in the poll of former Sullivan winners, amateur sportsmen, sports writers and sports casters.

She was runnerup to Rafer Johnson last year. This year Tommy Kono, world champion weightlifter from Honolulu was second followed by world broad jump record holder Ralph Boston, also of Tennessee State.

Thursdays Mrs. Ward will be in Milwaukee to receive The Associated Press award.

The Sullivan Award is presented annually by the AAU "to the amateur athlete who, by performance, example and good influence did the most to advance good sportsmanship throughout the year."

4 Champs Slated For Widener Race

MIAMI, Fla. (AP)—Four championship thoroughbreds of 1961—Kelso, Carry Back, Bowl of Flowers and T. V. Lark—are among 40 nominated for Hialeah's \$100,000 added Widener Handicap to be run Feb. 24.

Mrs. Katherine Price's Carry Back, a Florida-bred and 3-year-old champion colt, and Brookmeade Stable's Bowl of Flowers, champion filly two straight years, are on the grounds. Bowl of Flowers is the only filly nominated.

Mrs. Richard C. du Pont's Kelso, horse of the year in 1960 and 1961, is at Aiken, S.C. Preston Madden's T. V. Lark, the grass king, is at Santa Anita in California.

Calumet Farm, which has won seven Wideners, nominated Yorky, the defending champion; Beau Prince, and Raison for the mile and a quarter race.

SAYS DEFENSE KEY TO 'CATS' CAGE SUCCESS

By GEORGE ESPER

PHILADELPHIA (AP)—Any basketball coach who subscribes to the belief you can't teach defense either doesn't think it's important, doesn't know how to teach it or is just plain lazy, says Jack Kraft.

Hey, wait a minute, pal. Who's Jack Kraft?

A year ago Jack Kraft was an obscure prep school coach but today, thanks to his concentration on defense, he is a success at Villanova University, one of the biggest surprises in college basketball.

Villanova wasn't supposed to be much this year with only regular Hubie White back and no height but in pre-season drills Kraft continued pounding defensive tactics into his squad. During the first two weeks he spent 75 per cent of practice time on teaching an aggressive combination zone defense.

11-GAME STREAK

In his first season, Kraft, who had coached 14 years of high school basketball previously, has led the unbeaten Wildcats to 11 straight victories, the longest streak in the nation. Written off in the pre-season polls, Villanova this week moved into the No. 5 spot in the Associated Press poll of top college teams.

Tonight the Wildcats will put their winning streak on the line against unranked but unbeaten Seton Hall at the Villanova Field House.

Villanova and Seton Hall are among the only four unbeaten major teams in the nation. The two others are Ohio State and Mississippi State.

Kraft said Villanova has won all of its games by playing an aggressive defense, putting the pressure on the other club and keeping it off the Wildcats.

SPEEDY BALLHAWKS

With White and sophomore Wally Jones and George Leftwich, Kraft has a trio of speedy ball-hawks who can pick off passes and fast break for field goals.

As an example, when Villanova beat a much taller Iowa team last week for the Quaker City Tournament title, Hawkeye's Coach Shar. Scheuerman noted that the Wildcats picked off 14 passes in the first half. He said that as a player and a coach he could never recall having seen three such quick men on one team as White, Jones and Leftwich.

Coach Harry Litwack of Temple said Jones, a Philadelphia product, and Leftwich, of Washington, who play out front in the Villanova team, remind him of two former Temple greats who frequently stole off the ball—Guy Rodgers and Hal Lear.

White, Jones and Leftwich give the Wildcats tremendous speed, playmaking and shooting. White, an All-America candidate, is the tallest of the three at 6-4.

Today Kraft divides offensive and defensive practice about 50-50, more than many coaches who concentrate on offense.

"The offense usually takes care of itself," said Kraft.

Jerry Lucas Is Sportsman Of Year

NEW YORK (AP)—Jerry Lucas, Ohio State University basketball star, was named "sportsman of the year" today by the editors of Sports Illustrated magazine. The magazine described Lucas as "the best amateur basketball player in the world, and a student, a perfect team man, a wholesome example of fitness, awareness and common sense."

Lucas, a member of the 1960 Olympic basketball team, will receive the magazine's trophy.

Big Ten, Five In Agreement On Bowl

PASADENA, Calif. (AP)—The Big Ten and Big Five conferences apparently are in agreement over a contract for an annual Rose Bowl football game.

Representatives of the two athletic organizations discussed at length Tuesday the possibility of reinstating the old contract they operated under for 13 years before its expiration after the 1960 Rose Bowl game.

There probably will be one major difference, however. The Big Ten intends to adhere to its no-repeat rule, but the Big Five—with fewer teams—probably will not. Under the no-repeat clause Minnesota would not be eligible for the 1963 Rose Bowl game, were it to win the Big Ten title again next fall. Its last two appearances were on a special invitation basis.

Lathrop Leishman, chairman of the Tournament of Roses Football Committee, said he expected no complication in signing of a new pact because "our relations with the Big Ten have been so admirable. These things always take time."

DAVIS CHOSEN BACK-OF-YEAR

By THE ASSOCIATED PRESS

Ernie Davis, closing out his brilliant varsity career in a series of postseason games and heading into what promises to be a shining pro career, continues to reap honors as the most celebrated college football performer of 1961. The Syracuse star's latest distinction was being named back-of-the-year in the annual Associated Press year-end poll Tuesday.

Davis beat out the three other All-America backs in the voting, being chosen by 43 of the 212 sports writers and broadcasters on the panel. Bob Ferguson of Ohio State and Jim Saxton of Texas tied for second in the balloting with 34 votes each, and Minnesota sparkplug Sandy Stephens was next with 29.

KEY MAN ON TEAM

In three seasons at Syracuse, Davis was the key man on teams that won 24 of 29 games, captured the national title with a 10-0 record in 1959 and also posted two postseason victories, against Texas in the 1960 Cotton Bowl and over Miami, Fla., in last month's Liberty Bowl. An elusive and strong runner, the 210-pound half-back rushed for 823 yards and scored 94 points this past season, surpassing school records established by the fabulous Jimmy Brown. He finished his collegiate career with 2,386 yards running and 220 points scored.

Since then Davis has been awarded the Heisman Trophy as the country's top player and has signed a three-year National Football League contract calling for \$80,000 with the Cleveland Browns. In the pros, he will join Brown to form what shapes up as a devastating one-two running punch.

WILDCATS TO MEET ANOTHER UNBEATEN CLUB

By JIM HACKLEMAN

Associated Press Sports Writer
Villanova's Wildcats go after their 12th straight victory tonight against another unbeaten team. But the opposition isn't likely to provide a major test despite its spotless record.

The Wildcats play Seton Hall (4-0) at the Villanova Field House. From past performances, Jack Kraft's hustling 'Cats should scuttle the Red Bank Pirates. While Villanova has been beating some big boys and zooming into No. 5 position in the national rankings, Seton Hall has been building its record against lesser lights.

OTHER GAMES

In other games tonight, Eighth ranked Duke is at home to Penn State. Texas Tech opens defense of its Southwest Conference title against Texas and West Virginia returns to Southern Conference competition, where it is 5-0, after losing three out of its last four nonleague rivals. The Mountaineers entertain VMI.

Kentucky, third ranked nationally and the only member of the top ten in action Tuesday night, took a 19-point lead against Virginia in the opening half and whipped the Cavaliers 93-73. Adolph Rupp played 15 Kentuckyans and 12 of them scored, with Larry Pursiful's 21 points high. Cotton Nash added 18 for the Wildcats and Scottie Baesler had 17.

NEW SCORING MARK

Indiana tied its team scoring record and scored a new high against a Notre Dame squad, pounding the Irish 122-95.

In the last-minute hero department—Jerry Smith's three-point play with 37 seconds to go gave Furman a 77-76 Southern Conference squeaker over William and Mary; Bill Kirvan's three points in the final 56 seconds of overtime provided the clincher as Navy edged Georgia Tech 64-62; with 11 seconds left, Bob O'Brien stole the ball at midcourt and raced in for a lay-up that enabled Montana to top Idaho 63-61; Tennessee State made up a 17-point deficit in the final 12 minutes of regulation play, drawing even on Porter Meriwether's 30-footer seven seconds before the buzzer, then trimmed Seattle in overtime 101-97.

Wake Forest broke open a tight one in the second half and downed Minnesota 79-70. Davidson surprised Alabama for the second time in two weeks, 73-67. Vanderbilt made good on 23 of 26 free throws in the last half in beating Yale 79-69. Butler maintained its perfect record against Ivy

Collapsing in the third period after waging a 20-20 game in the first half, the Gettysburg High School Warriors bowed to Hanover 51-41 here Tuesday evening in opening the South Penn League season.

A run of 10 straight points in the first 2:50 minutes of the third period gave the Nighthawks a lead which was never seriously threatened thereafter. Steve Patterson landed four goals in the spree and wound up with 13 points in the quarter to spark his team to victory.

Although the teams were fairly even in height, Hanover's superior weight beneath the boards proved costly to Gettysburg as the Hawks controlled the boards most of the time, particularly in the second half.

The game had all the earmarks of a battle to the finish in the first half. Neither team could build a substantial lead with Hanover holding a 19-15 edge late in the second frame for the biggest lead of the half. Gettysburg led early in the game 5-2 for its widest margin but only one and two points separated the teams throughout the first two quarters.

In the first period the lead changed hands five times and was tied once before Jim McClellan's long toss gave the Warriors a 10-9 margin at the quarter.

It was the same story in the second quarter when the score was deadlocked at 11-11, 13-13, 15-15 and finally 20-20. Pete Rhoades kept Hanover in contention with a trio of goals in each frame. McClellan, Dick Crist and Ron Doaks were the top point men for Gettysburg.

After Hanover shot off to its 30-20 lead in the third period, Tom Duane broke the scoring famine with a foul for the Warriors. The only Gettysburg goal came with 3:19 left in the period on a side shot by Johnny Longanecker. Trailing 38-24 late in the third period, the Forney-men rallied mildly on a trio of fouls by Dick Crist to finish the frame and then added a pair of goals at the start of the final quarter on shots by McClellan and Longanecker. Hanover recovered on a goal by Patterson and a pair of free tosses by Rhodes and from then on the outcome was sealed.

Rhodes and Patterson topped the Hawks, now 3-6, with 19 and 17 points, respectively, while Gettysburg (1-5) was led by Crist and Longanecker with nine each.

The Warrior reserves bowed in the preliminary 38-25, wilting in the final quarter after being in contention most of the way. Bob Dietz rammed through 19 tallies for the losers while Shue led the visitors with 13.

STAN FREBERG TO OFFER NEW VARIETY SHOW

By CYNTHIA LOWRY
AP TV-Radio Writer

NEW YORK (AP)—It was a rough weekend for television fans who can take football or—preferably—leave it alone.

The home screens were awash over the long weekend with gridiron warriors. Football may well be the No. 1 American spectator sport, but eight or nine televised bowl games, often occupying all three network channels, sometimes seems a bit excessive.

For spectacle lovers, there was also the Pasadena Tournament of Roses procession Monday. A few floats could go a long way in black and white, but for the lucky handful of viewers with color sets it was a handsome show. Betty White, handling part of NBC's commentary, was bright and amusing. But the CBS staff and Roy Neel of NBC handled their assignments with the solemnity and urgency normally reserved for getting a missile into orbit.

Football, "Auld Lang Syne" and parades behind, we can settle down now to worry with Chet Huntley about the international situation again.

NEW VARIETY SHOW

ABC may have a controversial variety show in the offing. It's a comedy special set for Feb. 4 in which Stan Freberg will serve as star, creator, writer and executive producer. Comedian Freberg, who has appeared only infrequently on television, plans to use parts of his satirical review of American history. The revue has had some exposure in the form of a record album—but was banned by many radio stations because of its irreverent treatment of patriotic themes.

Looks as though "The Untouchables" will be around for still another season.

Drug Store Damage In Fire Is \$50,000

CONFLUENCE, Pa. (AP)—A \$50,000 fire destroyed a drug store and the druggist's apartment Monday, but firemen prevented the flames from reaching a neighboring hospital in this Somerset County community.

Firemen said the blaze erupted in the basement of the Alcott Drug Store and spread quickly to the rest of the two-story structure.

Alcott, who estimated damage, and some customers rushed outside after Alcott discovered the fire. His wife and two small children fled down an outside stairway.

Price Hospital evacuated its four patients and took them to the Methodist Church parsonage.

Firemen pumped water from a nearby stream to keep the flames from getting to the hospital.

Dredge Narrowly Escapes Blizzard

HALIFAX, N.S. (AP)—The trouble-plagued dredge Cartagena reached Halifax harbor Tuesday barely in time to escape getting caught in a blizzard.

The \$4-million dredge, owned by the Standard Dredging Co. of New York, tied up alongside a salvage pier. The Canadian tug Foundation Vigilant brought her into port in a snowstorm.

The Cartagena Christmas Day broke away from the Vigilant while being towed from Quebec City to Baltimore.

The 10-man crew abandoned the dredge the next day and was taken ashore by a U.S. Coast Guard vessel. Two days later four crew members from the Vigilant managed to board the dredge and Saturday the tug put a line on her and started towing her to Halifax.

Man Killed At New Year's Eve Party

LEWISBURG, Pa. (AP)—Union and Northumberland County authorities joined forces today in investigating the death of a 58-year-old Lewisburg man reportedly struck down in an argument at a New Year's eve party.

Donald C. Gardner died Monday at Lewisburg Evangelical Community Hospital from a blow on the head. He never regained consciousness.

Milton Police Chief John Golden quoted an eyewitness as saying Gardner was knocked to the floor at the Elks Club in Milton when he attempted to intervene in an argument between another man and his wife.

Officers questioned several witnesses Monday, but no arrests were made.

A Lovelier You

By MARY SUE MILLER

WALK TO BEAUTY. How often do you ride, when you could walk?

There is no denying that the cult of the automobile has made

us a nation of riders. As a consequence, most of us get no exercise at all. A few take intermittent workouts of some sort.

Yet doctors are on record as saying that Americans should walk more. The benefits to health of a brisk daily walk are greater than those from sporadic spurts of other forms of exercise.

Speaking just from the feminine viewpoint, a woman literally could walk her way to increased loveliness. The walking habit offers a fresher skin color, firmer muscles and calmer nerves. It also contributes to the control of excess weight.

However, none of those pluses is likely to come your way if you slouch or clunk along. You have to move at a good clip, breathing deeply and maintaining pulled up posture. The essentials of your stance are a straight back and a light tread.

For extra pep in your step, be sure to wear a proper walking shoe. It need not be a "clodhopper," and indeed should not be unless you are going on a mountain hike.

The shoe designed for wear on ordinary tours is lightweight, often unlined but with firm support; the heel is either low or middling, but not pancake flat. It's pretty, too, and you could be a lot prettier by taking it for a walk!

REDS BOAST OF STRONG "WALL"

BERLIN (AP)—East German Communists boasted Tuesday that their wall through Berlin is "so high and strong that neither God nor the devil" can help in getting across. But West Berlin newspapers reported at least two refugees escaped over the weekend.

The Communist statement was directed at Bishop Otto Dibelius, head of the German Evangelical Church. Bishop Dibelius in a New Year's message quoted a line from the 18th Psalm about leaping over a wall with the help of God.

Neues Deutschland, the official East Berlin Communist daily commented sarcastically: "In the first place our walls, unlike those of Jericho, are so high and strong that neither God nor the devil's help would permit him to get over it."

Electrical Circuit Causes Hotel Fire

HERSHEY, Pa. (AP)—An electrical short circuit was blamed today for touching off a fire that wrecked the second floor and the roof of the two-story Penn Hotel in Hershey.

The blaze broke out on Monday, forcing six hotel residents to flee into freezing temperatures. No one was reported injured.

The fire originated on a stairway connecting the second floor with a small storage area just below the roof. An estimate of damages was not available.

500,000 SEE MUMS' PARADE

PHILADELPHIA (AP)—Elias Myers, director of the Mummers' Parade, says the 1962 parade was "the best conducted" in the 62-year history of the annual New Year's Day event.

More than half a million persons—12 deep at the curb in some spots—lined historic Broad Street Monday to watch costumed Mummers ring in the New Year in a riot of color and melody.

Some 15,000 strutting, capering, melody-making Mummers marched through center city in seven hours—something of a record for the 62-year old event.

"GOD OF RIDICULE"

The mummies, all men who take their name from Momus, a god of ridicule in Greek mythology, were competing for \$61,000 in prizes awarded by 15 judges.

Total prize money doesn't compare with the cost of staging the parade, estimated this year at close to \$400,000. Competition is keen, with entrants in the three divisions—string band, fancy dress and comic—planning costumes year round.

This year's winner in the comic division was the Joseph A. Purul New Year Association, which took first money of \$2,200. The Hog Island New Year Association won first prize of \$1,800 in the fancy dress division for the second year in a row. The Hegeman String Band won \$2,150 first prize in its category.

Harry (Mike) Link will captain Notre Dame's 1962 football team. He's a fullback from Chicago.

Winter Classes To Start At Penn State

UNIVERSITY PARK, Pa. (AP)—Winter classes get under way at Pennsylvania State University Friday with some 530 new students expected to be enrolled.

Dr. Robert G. Bernreuter, dean of admissions and university registrar, said the total enrollment for the winter term probably will be slightly less than that of the fall term which reached a record high of 22,885.

UNARMED COP IS DISCHARGED

JOHNSTOWN, Pa. (AP)—A man who refuses to carry a firearm because "of my religion" has lost his job with the Johnstown fire department.

Robert Gill, 29, was fired Tuesday after refusing to accept a transfer to the city's police force because of his religion.

Gill, a member of the Church of the Brethren, said it was a church ruling and a personal conviction that members of his faith should not bear firearms in police work and military service.

City officials had transferred Gill and three other firemen to the police force as special officers because of a new administrative policy. Gill was the only one to refuse the reassignment.

Rev. Joseph Whitaker, pastor of Gill's home church in Johnstown, said there was no ruling in the Church of the Brethren against carrying firearms. He said, however, that the church owns strong convictions against a man going

CASTRO, AIDES OUSTED FROM ROMAN CHURCH

VATICAN CITY (AP)—A high Vatican prelate said today that Fidel Castro and certain officials of his regime have fallen under automatic excommunication.

Archbishop Dino Staffa, a leading expert on canon law in the Vatican secretariat of state said excommunication had been incurred by Castro and all Cuban officials responsible for "impeding and imprisoning" Roman Catholic bishops in Cuba.

The statement by Archbishop Staffa was not a formal announcement but was given in reply to a newsman's questions.

Archbishop Staffa, who is secretary of the Vatican's Sacred Congregation of Seminaries and Universities, said the excommunication had been incurred without formal announcement by the Vatican.

BISHOPS IMPEDED

He said announcement of excommunication in these cases is normally made by the Pope himself. Vatican sources speculated that Pope John XXIII had made no announcement in an effort to avoid further strain in relations between the Vatican and Cuba.

Archbishop Staffa said bishops had been impeded in their work in Cuba and had been imprisoned. He declined to give details.

Bishop Eduardo Boza Masvidal was expelled from Cuba along with 135 priests last September. At that time Vatican sources said Castro and his officials might have incurred automatic excommunication.

Effects of excommunication, briefly, are loss of the sacraments of the church and, in a broad sense, ostracism from the church of any person so punished. Pardon for this type of excommunication can be given only by the Pope or his delegate.

Predict Jump In Steel Production

PITTSBURGH (AP)—The first half of 1962 should show an increase of about 30 per cent in steel production over the first six months of 1961, says the board chairman of U. S. Steel Corp.

In a year-end statement, Roger M. Blough said the mills, in the first six months, will produce 58 to 60 million tons of steel—"give or take a couple of million."

This would be a boost of 30 per cent over last year's first half. Richard D. Sheely, children's division pianist, Mrs. G. Howard Koons; assistant, Mrs. Charles A. Grove; home department superintendents, Miss Cora R. Diehl and Miss Isabel D. Diehl.

Departments in the Sunday School: Superintendent, Clyde L. Sterner; first assistant, Charles A. Grove; second assistant, Donald L. Wolfe; secretaries, Miss Evelyn L. Koons, Mrs. Donald L. Wolfe and Miss Thelma L. Shoemaker; pianists, Mrs. Harold E. Shoemaker, Miss Evelyn Koons, Miss Nancy R. Koons and Miss Betty L. Sell; choristers, James D. Sterner, Miss Mary Jane Arentz, Clyde L. Brown and Amos S. Carbaugh; librarians, Mervin K. Myers' Class and Mary Jane Arentz' Class.

The pallbearers were Clarence Ketterman, Donald Boyer, Clayton Black, Charles Sterner, Albert Shultz and John Chronister.

Interferes With Radar Team; Fined

ALLENTOWN, Pa. (AP)—Veron D. Young, accused by state police of interfering with a radar team, has been fined \$200 and costs.

Young, of Bethlehem R. 4, pleaded guilty Tuesday in Lehigh County Court to resisting arrest. Police testified that Young, arrested for speeding on Route 191 last Nov. 1, had demanded to see the radar instrument.

After it was shown to him, police said, he pulled up behind it and began warning passing motorists of its location by using his headlights and brake lights.

When police moved to another location on Route 309, Young followed, it was testified.

DRYSDALE AND WARNER LEAD MAC SCORING

Bruce Drysdale of Temple and Ron Warner of Gettysburg, a pair of Middle Atlantic Conference veterans, have moved out in front in the conference scoring ranks.

Drysdale, a Senior from Philadelphia, holds a slight edge after scoring an average of 23.5 points a game in two contests. Warner, a Senior from York, is second with 22 points.

Delaware Sophomore Dave Sysko, Carneys Point, N.J., is tied with LaSalle's Frank Corace, Sophomore forward from Drexel Hill, Pa., for third place with an average of 20 points a game.

PARKER RANKS HIGH
Bob Parker of the Bullets is in sixth place in the individual scoring with an 18-point average and ranks second on field goal percentage with a mark of .643 on nine goals in 14 tallies. Bruce Simpson is seventh in rebounding with 11.

The most accurate field goal performance has been recorded by St. Joseph's Jim Lynam, who has connected on 11 of 17 attempts for a percentage of .647.

Lehigh's David Usilton, Junior guard from Collingswood, N.J., has been the sharpest from the free throw line, tossing in 15 of 17 attempts for a percentage of .882.

Chip Lundy, Lafayette's Senior center from Camp Hill, Pa., has a commanding lead in the rebound department after collecting 20 rebounds in his only MAC appearance. Bucknell's Joe Steiner, Senior forward from Puncxsutawney, Pa., and Delaware's Nate Cloud, Wilmington, Del., are tied for second with an average of 14 rebounds a game.

Offensively, the St. Joseph's quintet is showing the way with an average scoring effort of 90.5 points a game. Temple, while ranked seventh offensively, has demonstrated an excellent defense in its two conference outings. The Owls have held court, foes to only 50.5 points a game to gain the No. 1 ranking in team defense.

NBC BANS FOUR FOR FAILING TO SIGN U.S. OATH

NEW YORK (AP)—A folk-singing quartet was barred from appearing Tuesday night on the National Broadcasting Co. Jack Paar television program because its members refused to sign loyalty oaths, an NBC spokesman said.

Milton Brown, manager of program publicity for NBC, said the action was taken after members of the group, "The Weavers," declined to sign statements that they were not members of the Communist party.

Brown said that when questions arise concerning such associations, "NBC seeks to obtain the information as to the facts from the performers themselves."

"Two of the present four members of the signing group known as 'The Weavers,'" Brown continued, "have refused to testify before a congressional committee on this matter."

'RESENT INDIGNITY'
Fred Hellerman, member spokesman for the quartet, said he and another member, Lee Hays, had invoked the Fifth Amendment at congressional inquiries.

Other members of the quartet are Ronnie Gilbert and Erik Darling.

Hellerman said the group's decision not to sign the NBC statement was unanimous.

"We resent the indignity that such a request implies," he said. "Moreover, we feel strongly that no private business establishment such as NBC has the power or the right to require proof of a citizen's patriotism."

Greencastle Tops Buchanan Cagers

Greencastle swept a double-header at James Buchanan Tuesday evening in the only Adams-Franklin League games played. The varsity triumphed 64-54 and the jayvees won 64-36. Both Greencastle teams now lead their respective divisions with 3-0 records.

The scheduled Bermudian-Quincy game on the latter's floor was moved back to the original date tonight. Other games carded for this evening include Fairfield at New Oxford, Littlestown at Scotland, and St. Thomas at Fannett-Metal.

REJECT CLAIM OF GUATEMALA FOR HONDURAS

By ARTHUR GAVSHON
LONDON (AP)—Britain is planning another sharp informal rejection of Guatemala's claim to British Honduras—coupled with a public offer to discuss a solution of the century-old territorial dispute.

Informed sources said the British offer to talk is intended to counter threats by President Miguel Ydigoras Fuentes to break diplomatic ties with Britain and to expel all British nationals unless the Guatemalan claim to British Honduras is recognized.

The Foreign Office so far has refrained from making any formal comment on Ydigoras' warnings. Informants expressed belief the Guatemalan leader has suddenly revived the territorial issue to divert attention from domestic difficulties.

OFFER TO NEGOTIATE
Ydigoras reportedly said he would take the drastic step of breaking with Britain because of lack of progress towards a settlement. British officials say an offer to negotiate made by London two months ago still has not been picked up by Guatemala.

British Honduras, a colony of less than 9,000 square miles with a multiracial population of 90,000, has been a source of dispute with its neighbor to the west since 1859.

Guatemala is not the only country claiming the timber-sugar-citrus producing colony on the eastern seaboard of Central America. Mexico, to the north, tacitly accepts British sovereignty but has insisted that it will be entitled to take over part of the country if there is any change of ownership.

An 1859 British-Guatemalan treaty laid down the frontier between Guatemala and British Honduras.

silk experiment and there are "numerous great-grandchildren" of the 1830 mulberry trees growing in the county today. He said the black mulberry is the native variety while the faster growing white variety was imported from China but was found vulnerable to diseases here.

The silk industry was a bust here. Adams County got into the picture late in its efforts to get something for nothing which, of course, is part of the American dream.

Associate Judge Clarence Dear-dorf, society president, presided at the meeting at which a committee was appointed to prepare a brochure which is to be used initially in an effort to interest the 900 alumni of the Gettysburg Lutheran Theological Seminary in contributing to the cost of preserving and restoring the historic "old dorm" on which the society holds a 39-year lease and on which it already has spent several thousand dollars.

Named to the committee were Dr. W. E. Tilberg, Dr. Charles H. Glatfelter and Hugh C. McIlhenny. Announcements were made that the society has received a copy of "The Ancestry of the Charles Henry Eisenhard Family" by Irvin George Eisenhard of Boyertown, and a copy of the "programme" for the second Farmers' Institute and General Farmers' Convention held here on February 19 and 20, 1889. Among the speakers were David Wills and Gabriel Heister, then a member of the state Board of Agriculture.

After the meeting, members inspected progress being made on the development of a ground floor meeting room in the old dormitory building.

Youth Killed As Car Smashes Tree

COLLINGWOOD, N. J. (AP)—Alan Marshall, 16, of Audubon, N. J., was killed Tuesday and two other youths injured when their car crashed into a tree in a Camden County Park.

Howard Carroll, 18, of Oaklyn, and John Murray, 19, of Audubon, who were riding with Marshall, were admitted to Our Lady of Lourdes Hospital in Camden. They were reported in satisfactory condition today.

present.

CHOOSE OFFICIALS
The council signed to accept the street lighting system and now will have the duty of sending the checks for the lights to the two companies. Previously that duty was carried out by Mt. Pleasant Twp. The cost of the lights previously was paid in the form of a special tax imposed on Bonneauville residents by the township. Now the new borough will collect the tax to pay for the lights.

Mary Ann Gardner was elected secretary of the council; Jean Miller, assistant secretary; Eugene S. "Jim" Long, treasurer, and his bond was set at \$10,000. Attorney Eugene Hartman was named solicitor.

The Littlestown National Bank was named as the depository and the council discussed the possibility of borrowing funds against anticipated tax receipts to take care of expenses until taxes begin to come in.

COMMITTEES NAMED
Liability and compensation insurance was secured to cover the borough to replace the Mt. Pleasant Twp. insurance which no longer extends to the Bonneauville area.

Other committees named Tuesday night with the first named chairman included: Health, Jean Miller, Richard Neiderer and Bernard Walter; property, Bernard Walter, Richard Neiderer and James Orndorff; safety, Bernard Walter, Richard Neiderer and Jean Miller; ordinance, Richard Neiderer, Bernard Walter and Francis Clabaugh; highways, James Orndorff, Paul Walter and Francis Clabaugh; and utilities, Paul Walter, Francis Clabaugh and James Orndorff.

The new council also voted to enter Bonneauville as a member of the Pennsylvania Association of Boroughs.

No compensation was set for the various "hired hands" of the town, with that action to take place when the budget is adopted.

days in Room 103 for 10 weeks. It is described as a course for beginners in mechanical drawing with emphasis on the use of drafting instruments and blue and white print reproduction methods. There will be problems in orthographic drawing, dimensioning systems, auxiliary views, details and assemblies typical to machine structural drawings. Drafting instruments will be supplied for work done during class.

REGULAR COURSES

Regular courses to be offered again will include bookkeeping, shorthand, typewriting, high school algebra, conversational English and Spanish, sewing, woodworking, leathercraft, oil painting. Descriptions of the courses together with proposed schedules and room assignments will appear in evening school brochures to be available on Friday. The brochure will contain a registration blank for those who wish to register by mail or the registration blank published in The Gettysburg Times may be used.

The new brochures are to be available at the First National Bank, the Gettysburg National Bank and its West St. branch, the office of the Manufacturers Light and Heat Company and the office of the Metropolitan Edison Company.

Registrations must be accompanied by a deposit fee of \$3 for residents of Gettysburg and Strasburg Twp. or the tuition fee of \$8 for all others. There is a \$1 laboratory fee for all shop courses. Checks and money orders should be made payable to J. R. Corbin, Director, Adult Education, and sent to Box 29, Gettysburg.

Goldfine's Aide Begins Sentence

BOSTON (AP)—Mildred Paperman, secretary of Bernard Goldfine, Boston industrialist, started a 30-day jail sentence today for smuggling letters to the ailing industrialist.

Miss Paperman, 42, admitted the delivery of letters to Goldfine while he was serving a one-year sentence for income tax evasion in the federal correctional institution at Danbury, Conn.

Goldfine is now at the U.S. Public Health Service Hospital, Staten Island, N.Y., where he was transferred after suffering a cerebral thrombosis.

DILLON, S. C. (AP)—An automobile carrying six Pennsylvanians veered off U. S. Route 301 near here Tuesday and plowed into a field, killing four of the car's occupants and injuring two others.

The victims were Mrs. Mary Batinich, 52; her husband, Marion, 68; their daughter, Carol Ann, 20; and Anna Mae Majenik, 28. All were from Clairton, Pa.

Hospitalized in satisfactory condition were Francis Lee Batinich, 15, and Karen Ann Majenik, 2½. Police quoted a witness as saying the car veered across the highway and ran off the left side of the road.

The magazine noted that the January rate it expects is based on current orders.

"With some of the major consumers still not in the market, and many smaller ones holding out for a number of reasons, consistent gains are assured," it added.

TRY AGAIN FOR DOOMED MAN

HARRISBURG (AP)—Attorneys for Frank McCoy, a 36-year-old Philadelphia convicted of a first degree murder, will go before the State Pardons Board Jan. 18 in a last ditch effort to block his execution.

McCoy is scheduled to die in the electric chair at Rockview State Correctional Institution Jan. 29. The Pardons Board set the date for the appeal Tuesday.

McCoy was convicted twice of fatally wounding Gaetano Sabelli, 60, a wholesale import merchant, during a holdup July 1, 1957.

He was sentenced to death late in 1958, but two years later, the State Supreme Court granted him a new trial because of what it termed prejudicial remarks by the first trial judge.

At his second trial Sept. 15, 1960, the jury deliberated only half an hour before returning a guilty verdict and condemning him to death. Last July the State Supreme Court upheld the verdict.

McCoy's court-appointed attorneys now claim the jury at his second trial heard improper testimony.

Killed By Wheels Of Tractor-Trailer

MEDIA, Pa. (AP)—A 7-year-old Drexel Hill man was killed Tuesday when he fell beneath the wheels of a tractor-trailer truck on Jamestown Road in nearby Marple Township.

Police said the victim, Philip D. Holman, a retired railroad worker, had been visiting a married daughter.

The truck driver, William Ferrell, 39, of Collingdale, was quoted as saying he glanced into his rear view mirror and saw Holman fall from the curb.

DIM HOPES FOR 'PASSWORD' AS NIGHT TV SHOW

By CYNTHIA LOWRY
AP TV-Radio Writer
NEW YORK (AP)—One easy way to repair a midseason hole in a TV schedule is to plug it with a nighttime version of a daytime show.
On one occasion, this economical expedient even turned into a hit show—NBC's "The Price Is Right." It is doubtful, however, that the same lightning will strike CBS' prime-time edition of "Password," which started Tuesday night.
The game itself—a sort of word association gimmick—is slight and far from gripping. Any fun and excitement must come from the skill of the players. In the first show, Carol Burnett carried the entertainment load by herself in spite of the presence of Garry Moore and two other players.
One vital reason for the continued success of "The Price Is Right" is that the home audience can bid along with the studio contestants. That's not possible with "Password." Anyway, the show is not right for evening, although it is a pleasant enough time-killer earlier in the day.
Fred Astaire's ABC anthology series Tuesday night was a short, offbeat vignette with an intriguing title, "The Cake Baker." It was a sad little story of a lonely young woman, silently escaping the boring confinement of housework and child rearing by daydreaming.
She tries to get back to normal by plunging into PTA work. But her husband, inconvenienced and not understanding, destroys her one chance to regain mental health. At the end, she apparently has slipped away from harsh reality for good.
Shelley Winters played the mentally disturbed wife quietly and effectively.

U.S. BOLSTERS ARMED FORCES IN GERMANY

By FRED S. HOFFMAN
AP Military Affairs Writer
WASHINGTON (AP)—The posting of two more U.S. Army battle groups in Germany will provide the makings of an air-transportable brigade that could deal with trouble in the Middle East, Africa or elsewhere.
The Army high command has wanted for some time to create independent brigades in West Germany and on Okinawa for such a purpose. The Okinawa-based brigade would be intended for use in the Far East and Southeast Asia.
The Pentagon announced Tuesday that three battle groups of the 4th Infantry Division, totaling about 6,000 men, will be airlifted to Germany for a NATO exercise from Jan. 16 to Feb. 12.
Two battle groups will remain there after the end of operation "Long Thrust II" for additional training as elements of the Army Strategic Reserve in Europe. The third will return to Ft. Lewis, Wash.
Later, reportedly after several months, the two battle groups will be rotated back to the United States and replaced by other units of the 4th Division. In all, the 4th Infantry has five battle groups.
The Defense Department said these elements would be available for use in an emergency.
Funds for two independent trouble-shooting brigades are said to be included in the new defense budget soon to go to Congress.
Army leaders have been thinking in terms of paratroop units for such an assignment.
Sources indicate the battle groups to be sent to Germany later this month might be used as an interim "fire brigade."
They noted that although these are conventional infantry, they can be lifted quickly over thousands of miles.
The battle groups being moved to Europe will take no dependents.

COMMENT ON PARADE

Monday's flower-covered Rose Parade from Pasadena was also covered with free plugs, separated by the paid commercials.
Cowboy stars—including some most of us had never heard of—were riding their horses past the cameras hoping for—and receiving—a word about their shows. There were floats from trucking associations, insurance firms, cities interested in tourist trade and others, in such profusion that the orange juice and cereal sponsors of the two network shows sort of got lost in the shuffle.

SEEKS AID IN LAOS ISSUE

VIENTIANE, Laos (AP)—U.S. Ambassador Winthrop Brown called on King Savang Vatthana today. It was assumed Brown appealed to the king to urge Prince Boum Oum's right-wing government to give ground to make possible a coalition of Laos' three factions.
Brown requested the audience with the king after what informed sources said was a stormy session with Vice Premier Gen. Phoumi Nosavan on New Year's Day.
The sources said the Vientiane strong man angrily rejected an American demand that he yield on his demand that the key portfolios of defense and interior be given to the right wing in a coalition.

In Memoriam
D
SHULTZ: In loving memory of our dear husband and father, Ralph J. Shultz, who passed January 2, 1959.
As years roll on, for roll they will, And life was so short, Jesus was calling;
The angels were singing their beautiful songs.
The day had now gone by And our dear father had answered the call.
Our hearts were broken with sadness To think the day had come, But his kind words and loving ways Will always be with us.
No matter where we may be, HIS WIFE AND CHILDREN
